

AS 3

Silent vertical vacuum cleaner featuring excellent vacuuming performance. Reduced size model, but with a high capacity (12 l paper bag).

Manageability and compact dimensions make it suitable for the cleaning of small and medium size areas as hotels, offices, shops and domestic environments. Good cooling system. Equipped with a flexible hose, that features a bayonet clutch. Excellent grip thanks to the ergonomic handle and rigid hose extension made of chromed metal, easily storable thanks to the back hose inlet.

Light and practical plastic trolley easily movable thanks to its 4 pivoting wheels. For the cleaning of wooden surfaces (parquet) or laminate flooring the combi tool optional kit (pad holder + microfiber pad) is suggested.
